1. Emergency Vehicles don't have a chance to pass through town in time for an emergency.
2. Residents would not use the local shops any more because of the traffic congestion. → Shop closings → Ghost town
3. Real estate value because of the above would fall.
4. Pollution from the trains would increase a tremendous amount. This is not why people moved here
5. Quiet and tranquility of the town and townships would be disturbed.
6. Suggestion → Build new tracks around town, which don't interfere with traffic.
